Allan H. (Bud) Selig

For the past 28 years, Allan H. "Bud" Selig has been the driving force behind baseball in Milwaukee and at the national level in his capacity as President and Chief Executive Officer of the Milwaukee Brewers.

In November, 1997, he guided Major League Baseball through Phase One of realignment which saw the Tampa Bay Devil Rays and Arizona Diamondbacks join the baseball family as well as the Detroit Tigers move to the American League's Central Division and the Brewers move to the National League's Central Division.

Committed to keeping Major League Baseball as a part of Wisconsin's fabric, Selig has been an integral player in the ever-changing world of baseball economics. His role in the successful conclusion of an agreement to build the Brewers new home, Miller Park, scheduled to open in April, 2000, has been heralded as historic.

Since being appointed as the Chairman of the game's Executive Council on September 9, 1992, his involvement with the game on a national basis has increased dramatically. In that capacity, Selig oversees the committee which has authority of the Baseball Commissioner.

Selig's efforts in securing a new collective bargaining agreement with the Major League Baseball Players Association were vital in achieving labor peace.

Instrumental in securing an historic Revenue Sharing Agreement, implementing the popular wild card playoff system and the tremendously popular interleague play, Selig's guidance has helped to increase interest in America's Pastime.

Selig is also Chairman of the Major League Baseball Player Relations Committee, a member of the Major League Ownership Committee and a trustee of Baseball's Hall of Fame.

With the addition of Sal Bando as Senior Vice President - Baseball Operations in October of 1991, Selig re-emphasized his commitment to winning. Now, as the club moves into the National League's Central Division, Selig and Bando work toward putting an outstanding team on the field for Brewers fans to cheer. Ironically, it was Bando who first made the Brewers a legitimate pennant contender when he signed as the club's first free agent in 1977.

Selig's Brewers are committed to developing a strong farm system. They have won seven "Organization of the Year" awards, including the prestigious **TOPPS** "Organization of the Year" award in 1992, 1991, 1989 and 1987. In addition, the Brewers won an unprecedented three straight **Baseball America** awards from 1985-87. The Brewers farm system has a .539 (2924-2498) record in the '90's.

Selig has been lauded for his efforts on numerous occasions.He was named as Wisconsin's Top Sports Personality over the past 25 years by the Milwaukee Pen & Mike Club in February, 1995. He also was honored with the "World of Difference" Award from the Anti-Defamation League at a dinner in Milwaukee in February 1994.

On May 16, 1993, Selig was the recipient of the distinguished Ellis Island Congressional Medal of Honor. The medal is awarded to outstanding citizens of the United States who have contributed to our national identity while preserving the distinct values and heritage of their ancestors.

In December of 1990, Bud received the "Distinguished Citizen Award" from the Potawatomi Council of the Boy Scouts of America.

Under Selig's tutelage, the Brewers received the "Baird Award for Management Excellence" in April of 1989. The Baird Award is given annually to a Wisconsin corporation that consistently demonstrates superior financial achievement and community involvement.

In February of 1981, Selig was honored by the B'nai B'rith Foundation and received the "International B'nai B'rith Sportsman of the Year Award" for his distinguished contributions to the world of sports. He was singled out in May of 1983 by the United States Olympic Committee to receive their distinguished "Sportsman of the Year Award" for his contributions to baseball and to youth activities in Milwaukee.

Also counted among Selig's many honors is the prestigious "August A. Busch, Jr. Award" presented at a joint meeting of the Major Leagues in September of 1989. The award is given for "long and meritorious service to baseball" and is equivalent - for off-field personnel - to the

Selig (Continued)

players' Most Valuable Player Award. In 1978, he was named "Major League Executive of the Year" by United Press International, one of the most prestigious awards a baseball executive can earn.

Selig is a member of the Board of Directors of the Green Bay Packers Football Team, the Greater Milwaukee Committee, University of Wisconsin-Medical School, Baird Mutual Funds, the Milwaukee Symphony and the Oil-Dri Corporation of America. He is a founder of the Athletes for Youth, was instrumental in establishing the Child Abuse Prevention (CAP) Fund and serves on the Advisory Board of BADD (Business Against Drunk Drivers).

Bud and his wife, Sue, have become very active in the community and were co-recipients of the "1990 Humanitarian Award" from the St. Francis Children's Center. They co-chaired the 1989 Cerebral Palsy Telethon and lend their support and time to the Milwaukee Art Museum.

Selig was born July 30, 1934, in Milwaukee. He graduated from Milwaukee's Washington High School in 1952 and from the University of Wisconsin-Madison in 1956, where he majored in American History and Political Science. In college, his roommate was current United States Senator and Milwaukee Bucks owner Herb Kohl. After two years in the Army, Selig returned to civilian life to work for his father in the automobile business. Selig presently retains ties to that industry by serving as President of the Selig Executive Lease Company.

A baseball fan as a youngster and today, Selig followed the old Milwaukee Brewers and Chicago Cubs. When Milwaukee joined the Major Leagues in 1953, Bud became a Braves fan. He subsequently became the Braves largest public stockholder in 1963, before selling his stock two years later when the Braves moved to Atlanta.

In December of 1964, he organized "Teams, Inc.", an organization formed to return Major League Baseball to Milwaukee. Bud led the group, which changed its name to "The Brewers" in 1965. The group arranged for the Chicago White Sox to play several regular season games at County Stadium in 1968, which proved to be a tremendous success.

After failing to purchase the White Sox in 1969 and witnessing the awarding of Major League expansion franchises to four other cities, Selig's efforts were finally rewarded on April 1, 1970, when a Seattle bankruptcy court awarded the Seattle franchise to Selig and his investors.

Bud and Sue have three daughters and four grand-daughters.

Brewers In The Community

As an organization, the Milwaukee Brewers success is dependent on community and fan support. At the same time, the Brewers are pleased to help support so many charities, educational groups, youth groups and other worthy causes. Through charitable and community events across the state the organization helps non-profit organizations raise hundreds of thousands of dollars each year.

CHILD ABUSE PREVENTION (CAP) FUND

Children truly are our future. Unfortunately, young lives can be affected by the realities of a society that negatively impacts them. Out of concern for this issue, the Child Abuse Prevention (CAP) Fund was established in December, 1987 by Bud Selig, attorney, Thomas Bailey, and Children's Hospital of Wisconsin president, Jon Vice. Together, they shared a vision - to help end child abuse and its devastating effects.

The CAP Fund is the official charity of the Milwaukee Brewers and has granted more than two million dollars to more than 90 local agencies since its inception. Its' mission is to provide financial support to child abuse prevention programs; to educate the general public about child abuse prevention; and to encourage community action throughout the state of Wisconsin.

The CAP Fund's mission is to provide financial support to child abuse prevention programs; to educate the general public about child abuse prevention; and to encourage community action throughout the state of Wisconsin.

During the year, the CAP Fund receives thousands of dollars in proceeds from events held in conjunction with the ball club. The Safe at Home Picnic, held at County Stadium, features local celebrities and Brewers players as waiters and waitresses.

On-going support from the Brewers and several sponsors also helps to raise thousands of dollars though game related events like contributions for stolen bases and home runs hit.

BREWERS WIVES

The Milwaukee Brewers players' wives have an important role in the team's community relations efforts. Their commitment has evolved into several special charity events. Each summer, the wives host the annual tailgate party for the Sojourner Truth House. This charity serves battered women and children and provides shelter for them.

In addition, the Brewers Wives' Auction benefits various charities, such as: the Child Abuse Prevention (CAP) Fund, Sojourner Truth House, Penfield Children's Center, Walker's Point Youth & Family Services and the Autism Society of Southeastern Wisconsin. The auction is a popular event featuring autographed items and collectibles, player appearances, and live and silent auctions.

TEAM CHARITIES

The Brewers are proud of their commitment to statewide and local charities. The club works with thousands of organizations providing monetary contributions, fund-raising assistance and in-kind donations.

STRIKE OUT FAMILY VIOLENCE BASEBALL GAMES

An annual event at the stadium, this two-day event features five baseball games per day at County Stadium. Teams from the Milwaukee Adult Men's Baseball League raise money through the sale of raffle tickets to pay the fees to play in the weekend tournament. Proceeds from the event benefit the Task Force on Battered Women & Children, Inc.

YOUTH AND EDUCATIONAL ACTIVITIES

The Milwaukee Brewers commitment to our youth extends beyond the field of play. As role models, the Brewers provide direction and stability through continual school, playground and hospital visits. This standard includes quality family entertainment, strong educational programs and scholarships, in addition to instructional opportunities at our baseball camps.

BREWERS YOUTH BASEBALL CLINICS

Every summer hundreds of little leaguers gather at local parks to learn from and play with the Milwaukee Brewers. A summer tradition at area parks for 10 years, the camps offer young ballplayers the opportunity to play with and meet team members.

Brewers players and coaches donate their time and energy to help our future big leaguers learn the finer points of baseball. The instruction is invaluable, with an emphasis on sportsmanship and goal-setting, as well as the proper techniques of hitting, pitching, fielding and base running.

Participating programs include the Beckum-Stapleton Little League, Milwaukee County Parks Recreation and Culture Department, the Boys' and Girls' Clubs of Greater Milwaukee, Felix Mantilla Little League & United Community Center and Boy Scouts of America.

BREWERS STAY IN SCHOOL DAY

Annually, the Brewers support Stay In School Day. The entire team and front office takes time out to visit area schools, hospitals, neighborhood youth centers, and a local mental health facility.

With the assistance of team front office staff, players visit various locations to promote good cheer and sign autographs. Milwaukee Brewers Stay In School Day was featured on the national baseball television show, "This Week in Baseball."

STUDENT ACHIEVERS RECOGNIZED FOR ACADEMIC SUCCESS

For the past ten years, the Lynde and Harry Bradley Foundation, in conjunction with the Milwaukee Brewers and the Milwaukee Journal Sentinel, have sponsored an incentive program for area students.

Students from eight counties in southeastern Wisconsin are eligible for four tickets to a Brewers game, a certificate and recognition in a special section of the Milwaukee Journal Sentinel. Students in the top six percent of their class in academic achievement and academic effort are rewarded. More than 19,000 students, grades 7-12, from approximately 500 schools are eligible for this program.

BREWERS YOUTH LEAGUE

The Milwaukee Brewers, in conjunction with the Police Athletic League (P.A.L.),Milwaukee Public Schools (MPS) and the United Community Center (UCC), sponsor the Brewers Youth League - a group of 32 teams, all named after Brewers players.

Brewers In The Community (Continued)

The league, open to youngsters 9-to-12 years old, offers an opportunity to meet Brewers players and the possibility of playing in the championship game at County Stadium.

P.A.L., MPS and the UCC provide day-to-day supervision at the camps, which open the league each summer. All camps and regular season games are held at Milwaukee County Parks with the Brewers providing the league with equipment. More than 600 youngsters participate in the league each summer.

BREWERS LITTLE HITTERS LEAGUE

In conjunction with the Boys and Girls Clubs in Wisconsin, the Brewers, in 1997, began a statewide baseball league for children between the ages of six and eight years of age. In its inaugural season, more than 1,800 children participated in an 11-game schedule with one practice and one-game each week. In 1998, it is expected that there will be more than 2,500 participants in the league from more than 20 Boys and Girls Clubs throughout the state.

READING BUDDIES PROGRAM

A new program for the Brewers sees front office employees spread into the community helping children learn the fundamentals of reading. Tied to the Milwaukee Public Schools, many Brewers employees took the time to visit four MPS schools to work with young children.

BASEBALL CARNIVAL

The Garden Homes School playground is the site for a fun-filled carnival for Milwaukee area youth. Brewers players and front office personnel are on hand for fielding, hitting and pitching clinics. Autograph booths, carnival games and summertime food round out a great day of family entertainment.

HANK AARON YOUTH SCHOLARSHIP

The Hank Aaron Youth Leadership Fund provides scholarships to area high school students preparing for college. Students must maintain a 3.0 grade point average. Funds for the scholarship are raised during the Heritage Night tailgate party at County Stadium. Scholarships are awarded at a special County Stadium ceremony with Hank Aaron as a presenter. Funds are also raised for the Scholarship Fund at the Henry Aaron Golf Tournament held each summer in the Milwaukee area.

BREWERS HOLIDAY CARD

Middle and High School students from Milwaukee area schools assist the Milwaukee Brewers in designing an annual holiday greeting card. The contest is held shortly after the season's end. All entries are judged by Brewers front office staff. The three finalists receive an a special Brewers VIP package.

SPEAKERS BUREAU

A truly valuable service of the community relations department is the Milwaukee Brewers Speakers Bureau. Front office personnel speak at various events about a variety of baseball topics. Each year, the Speakers Bureau raises thousands of dollars for the CAP Fund.

WINTER CARAVAN CROSSES THE STATE

Each January, players and front office staff brave the cold for a winter tour around the state. This road show, sponsored by Miller Brewing Company, is an opportunity to preview the upcoming season and introduce fans to their favorite players. This year, the tour doubled in size visiting a record 25 cities. Each stop involves a visit with at schools, day care centers, hospitals, nursing homes or at a luncheon or a dinner which benefits local causes in those communities. The Brewers Winter Caravan is one of the premier programs of its kind in the league.

WINTER WARM-UP

This past off-season, Brewers employees donated money to purchase warm mittens and hats for needy children in Milwaukee. With the help of Brewers pitcher Paul Wagner, more than 350 pieces of winter warmth were delivered during the December holiday season. Brewers front office employees also spent an afternoon polishing their vocal cords as they sang holiday songs to people in nursing homes as well as in day care centers.

MILLER PARK

The Milwaukee Brewers state-of-the art new ballpark, Miller Park, is currently under construction just beyond the centerfield wall of Milwaukee County Stadium.

The one-of-a-kind convertible roof ballpark is scheduled to open in 2000 and will seat 43,000 fans. Construction began in October, 1996 and the official groundbreaking ceremony was held on November 9, 1996 in front of more than 15,000 fans.

The new facility is being funded by a 0.1% sales tax in a five county region including Milwaukee, Racine, Waukesha, Ozaukee and Washington counties as well as a $90 million dollar contribution from the ballclub. The facility is named for the Miller Brewing Company which purchased the naming rights for 20 years.

Fans will be closer to the action than they have ever been before as the four-tiered structure will create an intense home advantage for the Brewers. There will be 70 suites in the ballpark including 20 Founders Club Suites located just 20 rows from the field.

Miller Park will feature many amenities for fans including a stadium club, brew pub, museum and hall of fame, children's areas and a beautiful color replay board just to name a few.

The ballpark will also feature a grass playing field. and a fan-shaped roof, the first of its kind in North America. Movable panels beyond the outfield wall will give fans a breathtaking view of Milwaukee's skyline.

The roof structure will feature seven panels, five movable and two fixed. Each panel is the equivalent of the roof on top of the Bradley Center in downtown Milwaukee. The roof will be able to open or close within 10 minutes guaranteeing that every Brewers game will be played no matter what the weather conditions are outside.

Throughout the 1998 season, fans will be able to watch Miller Park grow every time they visit County Stadium. The steel structure of the ballpark will be erected to the point where Miller Park will shadow County Stadium.

Out in the parking lots, fans will be able to continue the Wisconsin tradition of tailgating but in a much more pristine setting. Landscaping will be a prominent feature of Miller Park. Not only will fans feel like they are in a park inside the stadium but they will feel like they are in one outside as well.

BOB UECKER

This season, Bob Uecker, the illustrious "Voice of the Brewers," will broadcast his 28th year of major league baseball for his hometown. Uecker returns to do play-by-play on WTMJ-Radio and the Brewers Radio Network.

Affectionately known across the country as "Mr. Baseball," Uecker is in his 19th season as the club's number one announcer. Bob is well-respected in the industry, earning Wisconsin Sportscaster of the Year five times during his career.

A versatile talent, Uecker credits go far beyond guest appearances and play-by-play. In 1985, Bob launched a television acting career as one of the stars of ABC's sitcom "Mr. Belvedere" which put 100 episodes into syndication. He also hosted two syndicated television shows, "Bob Uecker's Wacky World of Sports" and "Bob Uecker's War of the Stars." He was one of the Miller Lite All-Stars in popular commercials for Lite Beer from Miller. Bob was type cast as a radio announcer in the film "Major League" filmed at County Stadium, and stole the show in the sequel, "Major League II".

A 1969 visit with Al Hirt, a renown jazz trumpeter from New Orleans, altered Bob's life. Hirt opened a small night club in Atlanta and asked Bob to come on stage. Don Rickles was the headliner. Uecker displayed a dead-pan stare that challenged and broke up the satirical comic. Hirt was so impressed he arranged an appearance for Bob on the Tonight Show, starring Johnny Carson.

Uecker became one of Carson's favorite guests, making some 100 appearances before the Late Night host retired in 1992.

Uecker became a national celebrity. ABC Network took advantage of Uecker's popularity. He made appearances on the "Superstars" and "The Midnight Special" which opened the door for more elaborate appearances.

The snowball continued to roll for Bob. Because of his experience broadcasting Brewers games both on radio and television, Uecker gained national recognition as a play-by-play announcer for ABC Sports coverage of Monday Night Baseball, the League Championship Series and World Series. He will again work with Bob Costas on NBC's telecasts of Major League Baseball.

Uecker's accomplishments weren't limited to the electronic medium. A former catcher who spent six seasons in the majors, Bob authored a book entitled Catcher In the Wry, a humorous look back on the years he spent with the Milwaukee-Atlanta Braves, St. Louis Cardinals and Philadelphia Phillies. One of his career highlights as a player came in 1964, when he was a member of the World Champion St. Louis Cardinals.

With all his national attention and success, Bob never forgot his roots. He lent his services in support of several local organizations, including the United Performing Arts Fund, the Midwest Athletes Against Childhood Cancer Fund, the Milwaukee Symphony, the Boys and Girls Clubs of Greater Milwaukee and Big Brothers/Big Sisters. In addition, he's an advocate for such organizations as cystic fibrosis, heart disease and the Wisconsin Department of Tourism.

For his efforts, Uecker was inducted into the Wisconsin Performing Artists Hall of Fame in 1993. The Hall of Fame was established in 1983 to honor nationally and internationally known performing artists with Wisconsin ties. In 1994, he was elected to the Wisconsin Broadcasters Association Hall of Fame. In January of 1995, he earned the "Big B.A.T." Award from the Baseball Assistance Team at a dinner in New York City for his continuing support of former major league stars who are in need of support.

Television Information

BILL SCHROEDER
Television Announcer

Bill Schroeder returns for his fourth season as the color commentator on Brewers television broadcasts. He recently agreed to a three-year deal to describe Brewers games through 2000.

Very popular with the fans, Schroeder was a natural in first experience in the television booth in 1994, but he is quite familiar with the business of talking baseball, co-hosting "Baseball Sunday" in 1994 and "Talkin' Brewers" on WTMJ-Radio over the past three winters.

After his playing career concluded in 1990, Schroeder became a stockbroker for Paine Webber in the Milwaukee area. In addition, he conducts the annual Bill Schroeder Celebrity Golf Classic in Lake Geneva, Wisconsin for the benefit of COA, a Milwaukee charity which helps area children.

A lifetime .240 hitter, Schroeder spent eight seasons in the big leagues with the Brewers and the California Angels. He enjoyed a career best .332 batting average in 1987. As an intricate member of Team Streak, Bill caught Juan Nieves' no-hitter on April 15, 1987 in the midst of the Brewers major league record tying 13-0 start. In addition, he clubbed a career high 14 home runs and had 42 RBI in a back up role that season. Later that season, Schroeder had his finest moment. On June 14, before family and friends at New York's Yankee Stadium, he collected four hits including a game winning two-run homer off ace Dave Righetti.

In 1988, he was named the recipient of the Athletes For Youth Good Guy Award while in 1984, he earned the club's Unsung Hero Award.

Schroeder graduated from West Windsor Plainsboro High School in Princeton, New Jersey, where he earned All-State honors his junior and senior years. He attended Clemson University leading the Tigers to the Atlantic Coast Conference title in 1978 and '79.

Born in Baltimore, Maryland and raised in Princeton, Bill was traded to the California Angels following the 1988 campaign before retiring in 1990. He and his wife, Donna, have two daughters, Lindsey and Mallory and a son, Billy and reside in Hales Corners, Wisconsin.

A 30-year old graduate of the University of Southern California, Matt has had extensive experience for his age. He began his play-by-play career in 1991 in Huntington, West Virginia working for the Chicago Cubs Class A affiliate there.

He rapidly has risen through the minor league ranks with stops at High Desert (Class A, San Diego) in 1992, El Paso (Double A, Milwaukee) in 1993-94, Syracuse (Triple A, Toronto) in 1995 and finally Tucson (Triple A, Houston) in 1996.

He also teamed with FOX's Steve Lyons on the Baseball Across America Tour broadcasting a minor league game of the week in 1995 on ESPN2. Vasgersian was the play-by-play announcer in the Double A and Triple A All-Star games in 1995 and the Triple A All-Star game in 1996, all on ESPN2.

He also had the opportunity to do play-by-play for HSE during the Mexican-Texas League All-Star game in 1994 in which Brewers infielder Mark Loretta was the most valuable player.

Matt has been a member of the Screen Actors Guild since his childhood. He appeared in an episode of "The Streets of San Francisco" and the hit movie "The Candidate" starring Robert Redford. He also appeared on "The New Dating Game" as an eligible bachelor while in college at USC.

FACTS ABOUT COUNTY STADIUM

The site for County Stadium was officially selected on January 11, 1949, with the initial construction beginning on October 19, 1950. The stadium's original seating capacity of 28,111 permanent seats and 7,900 portable seats had a total capacity of 36,011 for the stadium's first event: an exhibition baseball game between the Milwaukee Braves and Boston Red Sox on April 6, 1953.

On October 6, 1953, the construction of additional permanent seating was approved, increasing the capacity to 43,394 for the 1954 baseball season. The outfield wall was constructed in 1961 and permanent bleachers were added in centerfield during the 1961 season. In 1962, the moving ramps were installed and in 1964, improvements for television and photographic facilities and the erection of temporary bleachers were completed, bringing the total number of bleacher seats to 10,591.

Additional improvements included a remodeled football pressbox in 1972; a new lighting system in 1973; additional seating (3,400) in 1974; a remodeled baseball pressbox in 1974; and additional seating (4,400) in 1975, bringing the capacity to the present 53,192.

In addition, the Milwaukee Brewers built a new electronic scoreboard in April, 1980 and an outdoor scoreboard in April, 1984, both of which were donated to Milwaukee County. The most recent addition occurred in 1986, when permanent cement bleachers were constructed.

County Stadium will be torn down when the Brewers move into their new convertible roof stadium in 2000. Hunzinger Construction, a local contractor, was involved in the building of County Stadium and is a part of the construction team on the new ballpark.

1997 Record/Place: First Half 34-38/Fourth Place; Second Half 30-40/Tied for Third Place

On September 12, 1997, the Brewers announced they would move their Triple A affiliate to Louisville. Tucson became the affiliate for the expansion Arizona Diamondbacks. The Tucson Toros of the Pacific Coast League were the Brewers Triple A affiliate in 1997. They went 64-78 in 1997, and finished the first half in fourth place and the second half of the season tied for third. The Toros remained competitive in the Pacific Coast League throughout the season while at the same time sending many of their players north to Milwaukee.

Eddy Diaz powered the Toros offense, ranking tenth in the Pacific Coast League and fifth in the Brewers organization with a .329 batting average. He also led the club with 14 stolen bases. Diaz was one of many Toros hitters to spend time in Milwaukee, call ups also included Brian Banks, Todd Dunn, Kelly Stinnett, Tim Unroe, Jack Voigt, and Antone Williamson. Dunn's 18 home runs ranked second in the organization.

Toros pitchers compiled a 5.50 team ERA and were led by Mike Misuraca's eighth wins and Al Sadler's 1.50 ERA. Misuraca was one of many Tucson hurlers to spend stints in Milwaukee. Joel Adamson, Mark Davis, Jamie McAndrew, Mike Misuraca, Al Reyes and Steve Woodard all travelled north.

Coaches: Dwight Bernard (Pitching), Jon Pont (Hitting)
Trainer: Bryan Butz
1997 Record: First Half 35-33/Second Place; Second Half 39-33/Second Place

The Diablos were loaded with offensive talent and pitching strength in the 1997 season. The team finished second in both the first and second half of the season. El Paso went 74-66 overall in 1997. The team batting average of .309 led the the Texas League. El Paso fell just short of continuing into post-season play as they were one game out of first place San Antonio as the season concluded. The Diablos led the Texas League with five representatives on the Post-Season All-Star team. Third baseman Mike Kinkade, shortstop Danny Klassen, outfielder Scott Krause and pitchers Travis Smith and Steve Woodard. Woodard, Klassen and Kinkade were chosen for the Double-A All-Star game, as the Diablos received the maximum amount of selections with three.

Individual talents flourished for the Diablos. Woodard went 14-3 with a 3.17 in 19 games before he was promoted to Tucson and subsequently on to Milwaukee. Smith picked up where Woodard left off with a league-leading 16 wins and 4.15 ERA. Both Woodard and Smith were named to **Baseball America's** League All-Star team. Reliever Horacio Estrada's 127 strikeouts finished third in the league.

On offense, third baseman Kinkade dominated the Texas League and the minor leagues with his .385 batting average, and was selected as the Texas League Player of the Year. He was named to the League All-Star team and **TOPPS** Player of the Month for August. Kinkade led the league in RBI, hits and on-base percentage. However, he also led the team with 60 errors.

El Paso's offensive power did not stop with Kinkade. Outfielder Krause ranked second in the league with a .361 average and led the team with 16 home runs. Next up for El Paso was Klassen who was fourth with a .331 batting average. Outfielder Kevin Barker added 10 home runs in his 65 games with the Diablos and 13 roundtrippers at Stockton. His 23 total homers led the Brewers organization. Outfielder Greg Martinez led all Texas League outfielders with a .995 fielding percentage.

Manager: Ed Romero

HITTING FOR THE CYCLE

Only four Milwaukee Brewers have ever hit for the cycle in a game: Mike Hegan (1976), Charlie Moore (1980), Robin Yount (1988) and Paul Molitor (1991).

Hegan managed to hit a double, homer and a triple off Detroit's Mark "The Bird" Fidrych on September 3, 1976 in Tiger Stadium and completed the task by hitting a single off Bill Laxton. He finished the day with four hits in five at-bats including a walk, two runs scored and six RBI.

Moore hit for the cycle on October 1, 1980 at California, singling off Ed Halicki, homering off Chris Knapp, tripling off Dave Schuler and finally doubling off Mark Clear. He went four-for-five in the game with three RBI and two stolen bases, capping off the best single-game performance of his career.

On June 12, 1988 in Chicago, Yount singled and homered off Joel Davis, doubled off Bill Long and tripled off Steve Rosenberg, finishing the game with a walk and a club record-tying four runs scored. Yount became the second player ever to record the feat as a designated hitter joining Kansas City's John Mayberry (1973).

Molitor was the most recent Brewers hitter to register each of the four hits in a single game. He did so off Minnesota's Kevin Tapani at the Metrodome on May 15, 1991. Molitor also accomplished the feat as a designated hitter becoming the third player to do it.

THE LONG & SHORT OF THINGS

Nine records were broken when the Milwaukee Brewers and Chicago White Sox played a 25-inning, eight hour and six minute game in Comiskey Park on May 8-9, 1984. They played the longest major league game (8:06) and American League game (8:06 and 25 innings); longest game at Comiskey Park, the longest Brewers and White Sox game ever, longest game of 1984, most innings caught by a catcher (Carlton Fisk, 25) and most at bats by a Brewers hitter (Cecil Cooper, 11). Harold Baines homered off Chuck Porter with one out in the bottom of the 25th to give Chicago a 7-6 win.

On May 1, 1991 the Brewers and White Sox met in the longest game in Brewers history at County Stadium. The 19-inning marathon lasted six hours and five minutes as the Brewers prevailed 10-9.

The Milwaukee Brewers and Chicago White Sox set a Brewers record for the longest nine-inning game when they played four hours and 11 minutes on July 10, 1983 at Comiskey Park. The Brewers won the game 12-9.

The Brewers and Minnesota Twins battled 22 innings on May 12, 1972 at the old Met Stadium in Bloomington, MN, which is the longest game in Twins' history. The Brewers won the marathon, 4-3, a game which took five hours and 47 minutes to complete.

On May 7, 1997, the Brewers and Oakland Athletics played the longest 1-0 nine-inning game in major league history. The contest lasted three hours and 20 minutes at County Stadium and ended with a Brewers victory.

The Brewers and California Angels raced through a nine-inning contest on May 6, 1972 in the Big-A in Anaheim, CA. The game, the shortest in both clubs' histories, was won by the Angels, 2-0, in one hour and 31 minutes.

Chairman: Dick Phelps
General Manager: Dan Chapman
Coaches: Saul Soltero (Pitching), John Mallee (Hitting)
Trainer: Paul Anderson
1997 Record: First Half 40-30/First Place; Second Half 30-40/Fourth Place

The Ports strong first place finish in the first half of the 1997 season sent them into the post-season. However, their post-season ended quickly as they lost in the first round to Lancaster two games to one. Stockton finished the season at .500 (70-70 overall).

On offense, Chad Green, the Brewers first round draft pick in 1996, was rated the "Fastest Baserunner" in the league by **Baseball America's** Best Tools. Green led the Ports with 37 stolen bases, which ranked second in the Brewers organization. Outfielder Toby Kominek led the Ports in power with 15 HR and 72 RBI. The speedy Ports had four leaders in the Brewers organization for stolen bases with Green in second, Anthony Iapoce in third, Kominek in fourth and Josh Tyler in fifth. Tyler's .310 batting average finished ninth in the California League and ranked seventh in the Brewers organization.

Mick Fieldbinder led Stockton's pitchers at 11-6 with a 2.83 ERA over 21 games. During the playoffs, Fieldbinder left the Ports and joined the Twins organization as the player to be named later in the Darrin Jackson trade. His ERA finished second in the California League, and he was named to **Baseball America's** League All-Star team. Closer Greg Mullins began his season with the Ports, collecting 19 saves in 30 games. With his 1-3 combined record and 32 saves with Stockton and El Paso, Mullins finished eighth in the Rolaids Relief Man National Association standings. Kelly Wunsch ranked seventh in the league with a 3.46 ERA. Bubba Hardwick went 8-6 with a 4.66 ERA.

BREWERS TO WEAR SESQUICENTENNIAL PATCH

In 1998, the Brewers will wear a special patch to commemorate the 150th anniversary of Wisconsin's statehood.

The patch will be featured on the right sleeve of the Brewers uniforms both at home and on the road. The patch will debut on March 31 in Atlanta.

As a state team, the Brewers are proud to participate in the celebration with Wisconsinites. They are honored to wear their loyalty to the state on their sleeve as they travel throughout the country.

• Not since the 1948-'49 Boston Red Sox has a team produced three players with 100 or more RBI in two consecutive seasons, but the Brewers did. In 1979 Gorman Thomas (123), Cecil Cooper (106) and Sixto Lezcano (101) became the first Milwaukee trio to go over 100 RBI in a season. And this season, Cooper (122), Ben Oglivie (118) and Thomas (105) put the Brewers in the record books

At the tender age of 24, Yount put his name along side such Hall of Fame notables as Ty Cobb and Al Kaline.
• In an effort to improve the ball club, General Manager Harry Dalton wheels and deals at the annual winter meetings, trading with the St. Louis Cardinals for All-Star Catcher Ted Simmons, steady starter Pete Vuckovich and the all-time save leader in baseball, Rollie Fingers. — 1981 —

• An interrupted season, it came down to the first half-winners - New York - versus the sec-

ond season winners - Milwaukee.

• With Bob "Buck" Rodgers beginning his first full season as the Brewers skipper, the pressure of producing a winner in Milwaukee was on him.

• Rollie Fingers established himself from the outset, earning a save in the season opener against Cleveland before an American League 1981 season high of 71,067 fans at Cleveland Stadium.

• His performance is unmatched as he posts a 6-3 record, 1.04 ERA and a major league high 28 saves in 47 appearances.

• For his efforts, he becomes the first relief pitcher in major league history to win both the Cy Young Award and the Most Valuable Player Award in the same season.

• In addition, Rollie earns his 4th Rolaids Relief Man of the Year Award, the Sporting News Fireman of the Year Award and the Joe Cronin Award for distinguished service.

— 1982 —

• Picked as the favorite to capture the American League Eastern Division, the Brewers matched that prediction on June 2.

• That was when the Brewers rebounded from the second division and became a contender under new Manager Harvey Kuenn. Under the Brewers "only" batting coach, Milwaukee became known as "Harvey's Wallbangers", chalking up a 72-43 mark after June 2 and finishing with the best record in baseball at 95-67.

• Pete Vuckovich was named the Cy Young Award Winner in the AL with an 18-6 record, helped along by two 8-game winning streaks during the course of the campaign.

• With the Brewers sweeping both major awards, coupled with the Rollie Fingers sweep in 1981, Milwaukee became the only AL team ever to sweep both awards two straight years.

• Newcomer Don Sutton, acquired in late August from Houston notched a 4-1 mark, but more impressively, won the season finale in Baltimore which gave the Brewers the Eastern Division Title.

• Defensively, the Brewers led the AL for the second straight year in double plays and Yount earned his first Gold Glove.

• After falling behind 2 games to none in the best of 5 series, the Brewers rallied to become the first team ever to win the League Championship Series after being down 0-2. The 3-2 ALCS victory gave the Brewers the AL pennant and a berth in the 79th World Series against National League Champion St. Louis Cardinals.

• In an exciting series labeled the "Suds Series", the Brewers and Cardinals played the full 7 games with St. Louis earning the title "World Champions."

• But in Milwaukee, the Brewers fans showed their loyalty by turning out in the thousands to greet their heroes home in a special ticker-tape parade downtown and at County Stadium.

— 1983 —

• The club set an all-time Milwaukee attendance mark as 2,397,131 fans went through the turnstiles.

• In late September, Brewers Executive Vice President and General Manager Harry Dalton rehired George Bamberger as skipper of the 1985 Brewers.

— 1985 —

• Cecil Cooper and Paul Molitor were named to the All-Star team - for Cooper, it was his 5th invitation while Molitor, who participated in the mid-summer classic in his hometown (Minneapolis), was named to his second.

• On August 19, Governor Tommy Thompson, Milwaukee County Executive Tom Ament, Milwaukee Mayor John Norquist and Brewers President Allan H. (Bud) Selig unveiled a $250 million financing plan for a new Brewers Stadium.
• On September 28, the Wisconsin State Assembly passed the financing package with a 52-47 vote.
• The State Senate approved the plan at 5 a.m. on October 6 with a 16-15 vote after the plan had failed twice during the previous night.

Nilsson became the first Milwaukee player in club history, the 29th player in major league baseball history and the 12th player in American League history to hit two homers in an inning.
• May 20th was a memorable day for manager Phil Garner as he picked up his 300th career win when the Brewers defeated the Twins 3-2 in Minnesota. Garner became just the third Milwaukee manager (Tom Trebelhorn and George Bamberger) to collect 300 wins in a Brewers uniform.
• In the year of the home run, the Brewers set a club record for consecutive games with at least one home run at 19 from June 11-30, eclipsing the previous mark of 15 set in 1982.
• Greg Vaughn picked up his 150th career home on May 29 vs. Minnesota (Rich Robertson) and collected his 500th career RBI on May 5 in Baltimore (Jimmy Haynes).
• Vaughn hit his 20th homer of the season in the 67th game of the season on June 20 (Mark Langston), making him the second-quickest player in Brewers history to reach the 20-homer plateau.
•Vaughn also hit 12 home runs in the month of June, tying a club record for most home runs in a month (Gorman Thomas, August 1979).
• Vaughn was the Brewers lone representative at the All-Star Game in Philadelphia. He was unable to play in the game though due to food poisoning.
• John Jaha compiled a .300 average to go with 34 home runs and 118 RBI. Jaha became the first player to hit at least .300 with 30 homers and 100 RBI since Cecil Cooper in 1983. He was the first player since Robin Yount in 1983 to collect at least 100 RBI and he was the first player since Greg Vaughn in 1993 to hit 30 or more home runs
• Third baseman Jeff Cirillo had a breakthrough season, compiling a .325 batting average, the highest average for a second-year player in club history.

• The Brewers played their first inter-league game on June 13 at Wrigley Field against the Chicago Cubs. Jeff D'Amico led the Brewers to a 4-2 win over the Cubs, while Terry Mulholland took the loss. Thousands of Wisconsin fans were among the 36,107 who enjoyed the victory in the first inter-league contest at a National League park. The Brewers were the first American League team (other than an exhibition contest) to play in Wrigley Field since the 1945 World Series.
• The St. Louis Cardinals visited County Stadium June 16-18 for the first inter-league series at County Stadium. Jeromy Burnitz' solo home run in the bottom of the ninth gave the Brewers the thrilling 1-0 victory. Ben McDonald and Alan Benes were locked in a scoreless pitchers duel for eight innings.
• The Brewers and Cardinals three-game series drew 83,421 fans for an average of 27,807.
• Phil Garner managed his 820th game June 28 at Kansas City, the most by a skipper in Brewers history.
• Third baseman Jeff Cirillo made his first All-Star Game appearance on July 8 in Cleveland. As the Brewers only All-Star, Cirillo was 0-1 with a seventh-inning strikeout in the game.
• Scott Karl equaled the club record for consecutive victories by a left-handed pitcher with eight wins July 15-August 29.
• Steve Woodard made his major league debut in game one of a July 28 doubleheader with Toronto at County Stadium. Woodard picked up his first win by tossing eight innings off one-hit ball and striking out 12 batters. He outdueled Roger Clemens and tied the American League record for most strikeouts in a major league debut since Elmer Myers of the Philadelphia Athletics in 1915.
• In game two of their July 28 doubleheader at County Stadium with the Toronto Blue Jays, the Brewers turned their first triple play since 1979. Alex Gonzalez grounded into a Jeff Cirillo (3B) to Mark Loretta (2B) to David Nilsson (1B) triple play in the fourth inning. • Jeromy Burnitz tied an American League record by homering in consecutive pinch-hit at-bats August 2-3. It was the 15th time in AL history that a player homered in back-to-back pinch-hit at-bats.
• Burnitz set a Brewers record by homering in five consecutive games from August 1-5. The previous club record was set by Sixto Lezcano who homered in four straight games, July 19-22, 1979. Burnitz became the first player to homer in five straight games since Cleveland's Sandy Alomar Jr. homered in five from April 4-8, 1997.
• Phil Garner became the Brewers all-time winningest manager with his 423rd win August 24 with a 6-0 victory over Texas.
• Doug Jones struck out the side on nine pitches in the ninth inning in the first game of a doubleheader on September 23 vs Kansas City.
• Jeff Cirillo collected 46 doubles for the second straight season, tying him for the second-best in club history.
• Doug Jones set a club record earning 36 saves. He also converted a club record 25 consecutive save opportunities.
• On November 6, the Brewers as part of Phase One of Major League Baseball's realignment plan became a member of the National League. The Brewers transfer, the first since the American League was formed at the turn of the century, was necessary to create a 16-team National League and a 14-team American League. Milwaukee joined the Chicago Cubs, Cincinnati Reds, Houston Astros, Pittsburgh Pirates and St. Louis Cardinals in the National League Central Division.

MILWAUKEE BREWERS WITH 200 HIT SEASONS

Three players have surpassed the 200 hit mark in one season while wearing a Brewers uniform, led by Cecil Cooper, who accomplished the feat three times. Cooper set a club record in 1980 when he pounded out 219 hits and he also accomplished the feat in 1982 (205) and 1983 (203). Paul Molitor also reached the 200-hit plateau in 1982 with 201. Robin Yount (210) has also accomplished the feat, as Yount, Cooper and Molitor finished 1-2-3 in the American League in hits in 1982, marking the first time that has happened since the 1915 Detroit Tigers.

THE BREWERS LOGO

On January 15, 1994, the Milwaukee Brewers unveiled their first new logo since the 1978 season. The development of the new logo began in November of 1992 when the Brewers approached Major League Baseball Properties Design Services about creating a "new look" as the Brewers approach the 21st century. The two parties worked diligently through the summer of 1993 and the result is a logo which will be worn with pride by Brewers players, coaches and fans for years to come. In 1997, the Brewers returned to a classic style of uniforms featuring wider piping and uniform numbers on the front of their jerseys. Also, the Brewers returned to the block "M" on their home and road caps, reminiscent of their caps of the early to mid-70's.

Also in 1997, the Brewers introduced a second logo which can be found on their jacket which features the State of Wisconsin with a large, block "M" and a baseball which represents the Brewers relationship with their fans from all around the State.

Milwaukee Brewers Gold Club

The Brewers Gold Club is a volunteer sales force designed to assist the Milwaukee Brewers with their season and group sales efforts. It is comprised of successful, civic-minded individuals from throughout the community.

This dynamic selling force, in addition to selling tickets, will help to draw the Milwaukee Brewers and the business community into a closer relationship.

The Brewers Gold Club will play a vital role in the long-term success and stability of this franchise. While accomplishing these goals, members will become an extension of the Brewers in the community and will share in the experience of being associated with Major League Baseball. Members of the Gold Club will also serve as ambassadors in stating the benefits and goodwill a Major League team and a new ballpark brings to the state of Wisconsin.

Headed by the Brewers' Mike Harlan, the Gold Club was created in February of 1992. The group is patterned after other clubs who have had successful private sales forces such as the Royal Lancers in Kansas City (created in 1969), the Designated Hitters in Baltimore (1979) and the Gemini Club in Minnesota (1988).

MARYVALE BASEBALL PARK

The Brewers will begin a new era in their Cactus League history when they open Maryvale Baseball Park on February 27. The ballpark located on the northwest side of Phoenix will offer fans a chance to watch baseball in a modern, yet quaint setting.

The new facility will seat 7,000 plus approximately 1,000 lawn seats. The entire complex will have eight fields, including two half fields. The Brewers minor league players will also train at the Maryvale complex across the street from the major league facility.

John F. Long, a longtime Valley developer, donated 56 acres of land to make this beautiful complex a reality. With Maricopa County, the Maricopa County Stadium Districk and the city of Phoenix providing resources, Maryvale Baseball Park is the foundation for future neighborhood revitalization. Overseeing the operations of Maryvale Baseball Park is the Phoenix Parks and Recreation Department.

The Brewers signed a 15-year lease good through 2012 in the Maryvale neighborhood and look to become a positive influence in the community.

NATIONAL LEAGUE CURFEW
There is no curfew in the National League

AMERICAN LEAGUE CURFEW (Interleague play in American League parks only)
All night games must be called at 1 a.m. local time. However, if an inning is started prior to 1 a.m., it can be completed. Other curfew restrictions are contained in American League Regulation 3.4.

BATTING-PITCHING QUALIFICATIONS
To qualify for the National League batting championship, a player must have 502 or more plate appearances. (This is equivalent to at least 3.1 for each of the 162 scheduled games). Pitchers must work 162 or more innings to qualify for the earned run average title.

"BLOWN SAVE" DEFINITION
When a relief pitcher enters a game in a save situation and departs with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save". If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.

CONSECUTIVE-GAME HITTING STREAKS
A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.

CONSECUTIVE-GAME PLAYING STREAKS
A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, of if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

DESIGNATED HITTER RULE (Interleague play in American League parks only)
A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game. The designated hitter is locked into the batting order but may be removed for a pinch-hitter for that game. The designated hitter is locked into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game may be used defensively, but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

DETERMINING A "MAJOR LEAGUE YEAR"
172 days constitute a full year in the major leagues.

EARNED-RUNS RULE
The determination of an earned-run is as follows:
An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls; and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.
Until 1969, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against the individual pitchers of that team.

FIELDING CHAMPIONSHIP QUALIFICATIONS
The individual fielding champions shall be the fielders with the highest fielding average at each position, provided:
(1) A catcher must have participated as a catcher in at least one-half the number of games scheduled for each club in his league that season;
(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season;
(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. EXCEPTION: If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

FIGURING BASEBALL STATISTICS

Batting Average — divide the total number of safe hits by the total times at bat.
Slugging Percentage — divide the total bases of all safe hits by the total times at bat.
Pitchers Earned Run Average — multiply the total earned runs by 9, and divide the result by the total number of innings pitched.
Fielding Percentage — divide the total putouts and assists by the total putouts, assists and errors.
Won-Loss Percentage — divide the number of games won by the total games won and lost.
On-Base Percentage — divide hits plus total bases on balls plus hit-by-pitcher by at-bats plus total bases on balls plus hit-by-pitcher and sacrifice flies (for purpose of this percentage ignore being awarded first base on interference or obstruction).

FIGURING MAGIC NUMBERS

To determine a team's Magic Number in the pennant race, compute the number of games remaining, add one, then subtract the number of games ahead in the loss column of the standings of the closest opponent.

PLAYER LIMITS

40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40. The minimum number of active players maintained by each club throughout the championship season shall be 24.

REGULATION GAME

A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire in chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

ROOKIE QUALIFICATIONS

A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues, or (b) accumulated more than 45 days on the active player roster of a major league club or clubs during the period of the 24-player limit (excluding time in military service).

SAVE RULE

Saves shall be awarded to relief pitchers under the following criteria:

Rule (10:20) tells the official scorer to credit a pitcher with a save when he meets all 3 of the following conditions: (1) He is the finishing pitcher in a game won by his club; and (2) He is not the winning pitcher, and (3) He qualifies under one of the following conditions: (a) He enters the game with a lead of no more than 3 runs and pitches for at least 1 inning; or (b) He enters the game with the potential tying run either on base, or at bat, or on deck (that is, the potential tying run is either already on base or is 1 of the first 2 batsmen he faces); or © He pitches effectively for at least 3 innings.

SCORING RULE - PINCH HITTERS

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up). A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

TIE GAME

A regulation game that is called by the umpire in chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

WILD CARD TEAMS

The team with the best record that has not won its division is eligible for the playoffs as the wild card team. In the National League Division Series, that club will play the division winner with the best record while the other two division winners will face each other in a best of five series with the winners advancing to the National League Championship Series.
